

ACREE & ISENHOWER FAMILY DENTISTRY

1213 Coffee Road, Suite B Modesto, CA 95355

(209) 529-0674

Daily media coverage is keeping the COVID-19 virus top of mind. We want to assure you of our commitment to your health and well-being, and keep you updated on our office decisions. We are following closely the California Dental Association, American Dental Association, Centers for Disease Control, and the World Health Organization to stay informed about this evolving situation.

In compliance with the strong recommendations of the California Dental Association and public health officials, we have made the decision to temporarily limit dental procedures except for dental emergencies until further notice. Our office remains open Monday thru Friday 8am - 4pm for phone/email/text messages and we are available to answer your questions or help you with a dental emergency. We have felt the need to take this proactive response to limit exposure for our patients and team to minimize the spread of this serious virus.

For patients with scheduled appointments, our team will reach out to you to reschedule your appointment if needed.

If you are experiencing a dental emergency after business hours, requiring immediate care and you are a current patient of record, please call our after-hours Emergency Line at (209) 985-7799.

We are doing everything we can to help in any way we can throughout this time. We will continue to post updates pertaining to our office on our social media and by email to keep you informed of any changes. No doubt, we will get through this! We appreciate you and thank you for allowing us to take care of your dental needs. We look forward to seeing you soon!

Stay well,

Dr. Acree and Dental Team
